Our terms of Business include the following:

We do not normally require any payment prior to the funeral service. This is at our discretion.

In most cases we simply send a final account to the client after the funeral has been completed with all relevant charges itemised.

Disclosure of Interests

The ultimate owner of this business is a partnership between Mr S Nicholson and Mrs N Nicholson.

We have a following business interest in Funeral Directory, a price comparison website which compares Funeral Director Services and crematoria services and their respective prices.
